The Honorable Stephen J. Solarz
U.S. House of Representatives
Washington, D.C. 20515

Dear Steve,

Thanks for letting me have a copy of your letter to the President of September 19th on the Moroccan situation. It reached me the night before the policy meeting on this subject and I found it most helpful. Your well-known ability to get to the scene of the action and, when there, to get to the heart of the problem was obvious from your letter. There were several excellent points in it that I had overlooked and it was most helpful to have it in advance of the meeting.

Again thanks and I hope we can get together soon.

Yours,

STANSFIELD TURNER
